secureSense™

Semperguard® secureSense™ general purpose nitrile gloves offer a versatile and reliable solution for various applications, all at a great value. Designed with textured fingertips, they ensure a secure grip in both wet and dry conditions. These gloves provide hand protection and comfort, making them ideal for automotive work, food handling, janitorial-sanitation use, and general safety tasks. Designed for durability and flexibility, they deliver optimal performance in demanding environments.

- Textured fingertips**
 Enhanced dexterity and gripping capabilities in wet or dry environments
- Safe for food contact applications**
 Meets FDA 21 CFR Part 177 requirements for food handling
- ESD tested and approved**
 Safe for applications handling sensitive electronics according to ANSI/ESD STM 15.1
- Durable & comfortable**
 Designed for flexibility and extended wear
